FITS ANY BOAT WITH CENTER CONSOLE UP TO 50" WIDE

Top 10 Reasons you should own a Fishmaster T-Top

1. **Folding Design** – Patent Pending design offers an affordable option to many boat owners who could not previously own a T-Top because of fixed bridges or storage constraints.
2. **Affordable & Universal** – The Fishmaster T-Top is the lowest priced in the market compared to comparable models and adjusts to fit any console up to 50" wide.
3. **Local Sales & Support** – We are honored to support the greatest boat dealers and international distributors of marine towers in the world. You benefit from purchasing through our dealers by leveraging their expertise, local inventory, installation, service and support all provided on a local basis. All of our dealers sell and service center console boats and are experienced installers of Fishmaster products. If your boat dealer is not already an authorizer reseller of our products please encourage them to contact us to become a Fishmaster dealer.
4. **Custom Accessories** – Complete line of affordable and custom matched accessories that enhance the utility of your T-Top.
5. **Quality Products** – All products are designed & engineered using 3D solid modeling & stress analysis software and are manufactured in an ISO 9002 Compliant facility.
6. **Proven Company** – Fishmaster is owned and operated by the inventor of the Monster Tower, the most popular aftermarket wakeboard tower and accessories company with over 10,000 towers shipped.
7. **Great Customer Support** – Our job is not done until you are happy, period. We have a great support team in place and they can address any questions or issues that may arise in a prompt and professional manner. In addition, the most Frequently Asked Questions, Installation Manuals for all our products, hundreds of Customer Photos and other detailed product information is available on our website.
8. **Product Development** – Many new products such as radar arches, poling platforms, leaning posts and many accessories are in development and will be available in 2008.
9. **Five Year Warranty** – Fishmaster warrants that for a period of 5 years from the date of purchase, Fishmaster will repair directly or supply parts for the repair of any material cracks, fractures or structural failures that are a result of a manufacturing defect.
10. **Satisfaction Guarantee** – We are committed to happy customers. If you are not satisfied with your Fishmaster product for any reason, just ship it back or return it to the place of purchase within 30 days for a full refund. (Minor restrictions apply. See website for details.)
